

# Woman & Financial Awareness

---

Give a woman a fish and you  
feed her for a day;  
Teach a woman to fish and you  
feed her (and her family) for a  
lifetime

*- Adapated Chinese Proverb*

“I truly believe that liberty for a woman comes from the **ability to make financial decisions for her life**”

- *Reema Bint Bandar Al Saud, Saudi Arabian Ambassador the US*

# Why Financial Awareness

---

It will empower you in ways you have not known before.

You will become wiser when it comes to money matters.

Your overall decision making shall improve since money plays a central role in most things in life.

# Why Financial Awareness

---

**Increases  
Confidence**

**It's fun.**

(To acquire one more skill. Like painting, cooking, teaching, swimming, etc)

**If you have to do it all by yourself,  
are you equipped to handle it?**

**It will keep you engaged  
in life, all along**

# How to learn money management

---

- You learn things where you spend time.
- Spending just 15 minutes a week for 1 year will help you get a good hang about money management.
- Discuss with your family/partner about it.

# How to learn money management

---

- Know how much money is in your name and where it is invested.
- Look at your portfolio, once a month.
- Discuss with your family financial advisor once in 3 months for half an hour.
- She/He will give your a lot of information/idea.

Start with a small portfolio.  
**SIP is a good way to start with.**

**It is easier than you think.  
All the best.**

# Thank You

---
